**STIPULATION AND  
~~[PROPOSED]~~ ORDER  
 REQUESTING THAT THE  
 SETTLEMENT CONFERENCE  
 SCHEDULED FOR DECEMBER  
 19, 2008 BE CONTINUED TO A  
 DATE IN LATE JANUARY OR  
 EARLY FEBRUARY  
 CONVENIENT TO THE COURT'S  
 CALENDAR**

The parties to this action, through their respective counsel, hereby stipulate and request that the Settlement Conference currently scheduled for Friday, December 19, 2008 be taken off-calendar and continued to a date convenient to the Court's and the parties calendars in late January or early February.

*The parties are jointly making this request* because the parties have been diligently pursuing settlement amongst themselves and are making substantial progress. The parties are therefore hopeful that they can reach a settlement before the end of the year without involving the Court. The parties would therefore prefer not to incur the time and legal expense associated with preparing for and attending the upcoming settlement conference since they believe they may reach agreement amongst themselves without incurring that expense.

1 Furthermore, the plaintiff, a merchant seaman, was compelled (apparently due to  
 2 economic necessity) to join a ship for a shipping rotation and it now appears as though the  
 3 vessel's schedule will not allow for Mr. Garrett's personal attendance at the scheduled  
 4 settlement conference. While plaintiff's counsel is able to intermittently communicate with  
 5 the plaintiff to convey settlement offers and receive instruction and authority, that  
 6 communication is sporadic and generally occurs over the course of several days when the  
 7 ship is in cell phone range or in port. Those communications therefore generally occur over  
 8 a period of days rather than instantaneously.

9 The parties therefore are requesting that the Settlement Conference be re-scheduled  
 10 to a date convenient to the Court and the parties for a date in late January or early February  
 11 2009 in the event they are not able to reach a settlement before the end of the calendar year.  
 12 Counsel for the parties suggest that they provide the Court by January 9, 2009, with new  
 13 proposed Settlement Conference dates. Of course, if the case were to settle before then,  
 14 counsel for the parties will immediately notify the Court.
